Series A (Pre – Launch)

A simple four-step process to introduce SpiderGo to the people in your circle who stand to benefit most.

STEP 01

Click on the WhatsApp link that was sent to you. Fill in your details and click SUBMIT.

STEP 02

Contact at least 5 people (18 years or older, RSA citizen) that you believe will benefit from the opportunity, and WhatsApp them the link.

STEP 03

WhatsApp the Series A slide deck, this document and the Series A video.

STEP 04

Try completing the above steps within a week, then follow up with each person personally.

Tip • Don't waste time with fence sitters or those offering too many objections. Rather sign up like-minded people, and tell your 5 to find 5 of their own within a week.
